

WELCOME TO YEAR 3!

I am very excited to welcome you and your child to 3P this year. It is going to be a fantastic year! I'm looking forward to getting to know your child and sharing some wonderful adventures. Year 3 is a big year with lots of new things to learn and experience.

About the Teacher

My name is Mrs Parker, I am a mum to 3 wonderful boys that keep me very busy. My family have lived locally for the past 6 years and believe it's a wonderful place to raise our family and that Broulee Public School is a fantastic school (that's why we chose it for our son Zander). I have been a teacher for 8 years and love what I do, I am really looking forward to 2017 and hope you are too!

By the time your child reaches year 3 they like to bring their own pencil case to school. We encourage this as it provides them with an opportunity to show how responsible they can be so I have attached a list of what is needed this year.

Year 3 is the first year students can bring their own technology in line with school policy. We will be sending home a permission note, which must be returned before your child can use a personal device at school.

I will also be sending home a note regarding what text we will be studying this term, This will be a shared reading experience but if you have a copy of the text at home that you wouldn't mind letting your child bring to class so they can follow along that would be great!

This year please follow us on our class blog as it's a great way for you to keep up with what's happening in class. Please do not hesitate to contact me via the school app or website which have a contact form available for use or by contacting administration to organise a time to meet.

Regards,

Mrs Parker
Broulee Public School
